

POLICY UPDATE COVID-19 - JUNE 2020

The entire team at Sevenoaks Football Club are committed to providing a safe football environment.

COVID-19 Restrictions

In accordance with the current Government guidelines and The FA guidelines, individuals can play football or approved sporting activity with others from your household OR with up to a maximum of 6 people from outside your household with social distancing measures being observed at all times.

All of the well-publicised Government social distancing and hygiene requirements must be fully observed in and around the training pitches and parking areas at all times.

At the Bourne Stadium, anyone entering will be subject to a machine temperature check with anyone failing the temperature check refused entry on safety grounds. In addition, there will be no access to the changing rooms and toilets at any time until further notice.

We have provided player/parent guidance and we are constantly receiving updates from The FA and Government which we will ensure to update our control measures when any further changes can be made. The measures that have been put in place are for you, your family and everyone else's safety

General

- We will be complying with all safe social distancing measures and therefore ask that all players, parents, volunteers and coaches respect each other and any decisions that are made for safety reasons.
- If an individual is showing symptoms of the virus or has been in contact with someone displaying symptoms within the last two weeks, then they should stay at home until an NHS practitioner advises them that they no longer need to remain in isolation.
- All training activities are undertaken entirely at your own risk.
- All players attending training and any person entering the Bourne Stadium will be required to hand in a completed COVID-19 questionnaire to their coach at the commencement of each training session.
- Players/parents should arrive at your designated training time as entrance to the training pitch will not be permitted before this time.
- All parents not remaining pitch side will be asked to drop and collect their children at the allotted time from the edge of the training pitch or if at the Bourne Stadium from outside the ground entrance/exit.
- Players should bring to training with them, named hand gel bottle and a named water bottle for their own personal use.
- Training pitches will be separated into 4 quadrants and so a maximum of 24 players/coaches will be permitted to enter the training pitch at any one time.
- All training equipment will be appropriately sanitised including football equipment such as footballs, cones, goal posts and any other training equipment being used.
- At the Bourne Stadium, all signage for social distancing is installed in the ground to remind everyone of social distancing with volunteers to provide continued guidance.
- At the Bourne Stadium, the entrance and exit touch points, along with other areas at the ground will be sanitised with a cleaning sanitiser which continues to work for up to 30 days after it has been applied.
- Periodic touchpoint testing will take place to measure levels of microbes present on surfaces at the Bourne Stadium to ensure the sanitising program in place is effective.

We look forward to welcoming you back to the club.

Stay Safe.
