STFC latest news

A round-up of the latest club news, including the low down on our next opponents, Corinthian and Whitehaw

12-13 Player Profile

Keeper Max Huxter tells Andrew Gidley what he most likes and dislikes about football

Micky's Message

Good afternoon everyone and welcome to Greatness Park for our first league game of the 20/21 season.

I would like to extend this welcome to the management, players, officials and supporters of our opponents today Three Bridges, I hope you enjoy your stay with us and wish you a safe journey home.

With the league season being curtailed by COVID-19 back in March and our league position sitting at 10th place we will certainly be looking to improve on that this term. With Covid cases on the rise again I do hope the season continues uninterrupted but the most important thing is we all stay safe.

On Tuesday night we travel to Corinthians for another FA cup tie our fantastic first half performance on Saturday enough to see us progress.

Lots of our supporters will remember with fondness the night we clinched promotion to step 4 at Corinthians then a week later we completed a memorable League Title. It would be good to see as many Sevenoaks supporters as possible on the night as I think this will be an all-ticket sell out.

Stef Wright is suspended for today's game as that has carried over, Ben Bridle-Card is close to full fitness and we will look to get him minutes on loan for a few weeks as he's had a full year out. Apart from that we are at full strength.

I hope you all enjoy today's game and wish you all a safe journey home.

Micky Collins

History of Three Bridges FC

Founded in 1901, Three Bridges joined the Mid Sussex Football League in 1902 and were Champions of that League for the first time in the 1907/08 season.

Their first major success came in 1933/34, when they won the Sussex Junior Cup, and sundry other minor honours came their way before they joined the Sussex County Football League in 1952/53, and two years later were crowned Second Division Champions.

In 1962/63 they won the Division Two Invitation Cup and in 1968/69, 1973/74 and 1979/80 were Second Division Runners Up. 1970/71 produced an against-the-odds triumph when winning the League's Invitation Cup against Southwick (3-2).

The 1980's heralded a run of successes, starting with reaching the last 16 of the FA Vase for the first time in 1981/82 before losing at Molesey (1-2). A season later they made it to the last 32 but also won the Sussex RUR Charity Cup for the first time, beating Hastings Town 3-2.

Another year on saw them finish runners up in the Thorn EMI National six-a-side tournament, winning a set of floodlights. 1985/86 saw them finish as County League Division One runners up, a feat they repeated in both 1987/88 (when they also won the RUR Cup again) and 1988/89.

A fire destroyed their clubhouse in 1993 which re-focused their priorities and ultimately resulted in relegation in 1996/97. They won the Division 2 League Cup a season later and then finished runners up in Division 2 to regain Division 1 status. They were RUR Cup runners up in 2003/04 and then winners of that same prestigious trophy in 2007/08.

In season 2010/11 hopes were high when they started by winning their first nine League games, but eventually finished the season in 5th place. However they did win the John O'Hara League Challenge Cup for the first time that season, beating Rye United 2-1, a tremendous feat that they

achieved again in 2011/12, this time AFC Uckfield being defeated 2-1. It looked like being another tough League campaign when they lost four of the first nine matches, but then lost only one of the remaining 29 games, which was concluded by beating Championship rivals Rye United 1-0 at home on the final day of the season!

This tremendous run meant the club had achieved its ambition and become Sussex County Football League Champions. With a superb run in the FA Vase too, losing in the last 32 on

a penalty shoot-out with Derbyshire side, Gresley FC, the 2011/12 'Double' season had undoubtedly been the best in Three Bridges' history.

Their first season in the Ryman Isthmian Football League South Division saw them struggle for much of the time. However, having been 10 points adrift at the bottom of the table in mid-February, they went on a run of 11 matches that produced 7 victories, 2 draws and just 2 defeats, earning them Team of the Month Awards in both March and April as a result.

It meant that they survived the drop, but their second season in the Ryman League saw them struggle at times again but some key signings midway through the season helped them to 19th place.

The 2014/15 season saw an even greater improvement with a healthy mixture of youth and experience guiding them into 7th position and, whilst they were happy to score 94 League goals, they were less than happy about the 95 they conceded! They improved their defensive record in conceding 67 goals in season 2015/16 but only scored 59, hardly helped by long-term injuries to strike partners Allan Tait and Tony Garrod. With 66 points, they slumped to 14th position, although they only accumulated 6 points fewer than in the previous campaign!

Bridges maintained most of that season's squad for the 2016/17 campaign. However, with at least 11 first team players out injured

by September, they had to use a lot of the U21s, Academy and U18s players and by November had lost 12 games in a row, drew three and won just one game. Towards the end of the season, they strengthened the squad but it was too late to avoid relegation.

For the 2017/18 season, Bridges kept a few of the best of the players from the previous season and strengthened the team with more experienced players in the hope of promotion once again. Having dispensed with the services of Simon Wormull, Paul Hammond and Danny Lee from the coaching team and folding the Academy team, Bridges also strengthened the management team with the additions of the experienced ex-Bridges player, Martin Dynan as Assistant Manager, and UEFA 'A' licensed Coach, Marc Wardley.

That season turned out to be an extremely tough one with every team wanting to beat us. However, Bridges accomplished what they set out to do by gaining promotion back to the Isthmian League having finished second place in the Southern Combination League Premier Division, just one point behind the winners, Haywards Heath Town, and despite having only lost 3 games all season.

After serving 25 years with the Club as a manager, Paul Faili stood down as First Team Manager for the 2018/19 season in

order to concentrate on his role as Club Chairman, and handed the management reins over to Martin Dynan, assisted by Liam Collins alongside Keith George. He also recruited a new U23s manager in Oliver Saunders, another UEFA 'A' licensed coach, to work closely with the First Team in developing both the U23s and U18s.

After losing 8 out of 12 League games by the end of November, as well as being knocked out of all four cup competitions (FA Cup, FA Trophy, League Cup and Sussex Senior Cup), the future looked bleak for Martin Dynan. However, the team then went on an unbeaten run in December, earning Martin the League's Manager of the Month Award.

Unfortunately, that didn't last and Martin's demise was inevitable by the end of February, having lost 8 of the last nine games with relegation looming. Paul Faili stepped in for the remaining 9 games of the season attaining 4 wins, 2 draws and 3 losses – enough for a 14th place finish and 14 points clear of relegation. Paul will remain as Manager for the 2019/20 season, ably assisted by Jamie Crellin, Nathan Koo-Boothe and Keith George. Oliver Saunders will remain as U23s Manager, assisted by Tom Hayward who has been involved with the U18s as both Assistant Manager and Manager over the last four years, whilst the U18s will be newly-managed by First Team player, Brannon O'Neill.

Guernsey forced out of league

Guernsey have been forced to pull out of
their Pitching in Isthmian League commit-
ments for 2020-21 due to the ongoing travel
restrictions between the Island and the
mainland.

A club statement reads as follows:

"The club has not taken this decision
lightly. However, as we are all aware, we live
in unprecedented times and with flights not
due to resume between Guernsey and Gat-
wick until 12th October 2020 at the earliest
and cases continuing to rise outside the
Baillivick, we do not believe that it would be
feasible to fulfil a 38 match fixture list.

From the outset we said the health and
well-being of our bailiwick community is
the club's priority. We are fully committed
to protecting our communities hard fought
gains. We have been working with Dr Brink
and her team at Public Health, Guernsey to
look at forming a "Travel Tunnel" and this
work is still ongoing in case we are able to

utilise it in the future. This risk assessment
will be designed to minimise the risk of con-
tracting COVID-19 should the club travel to
the mainland to play a fixture and for clubs
to travel to Guernsey to play a fixture. This,
however, would not totally eliminate the risk.

"On Saturday the Board of Directors
agreed to our request and on Monday,
the Alliance Leagues Committee of The FA
agreed to support this decision. This has to
be approved by the FA Council."

League Chair, Nick Robinson, said: "We
are delighted to retain Guernsey FC in the
League. We have agreed the suspension on
the basis that the Club will retain its place
at Step 4 in season 2021-2022 and will be
considered for placement in the event that
circumstances mean we have to change
the Competition this season. We have
worked closely with Mark and his Board and
will continue to do so."

Oaks growing stronger

Football is flourishing at all levels at Sevenoaks Town, and we plan to focus on that in a series of features this season.

*In the first we hear from club committee man **Daniel Thomas**, in charge of all Girls and Ladies football at the club.*

"I started with the U10 team which my daughter played for.

"In my first game in charge I brought the girls together from schools in and around Sevenoaks, and we won 8-0 against Long Lane.

"We went from strength to strength from there, finishing third at U13-14, then winning the U15 Kent League, which saw us move into the the U16 Premier Division, up against the likes off Maidstone, Junior Reds and Foots Cray.

"We were fourth before Covid-19 struck.

"I was very pleased with how the girls performed – after losing our first three games – then going onto be unbeaten from November until mid-March.

"This season we are playing in the U18 Kent Girls and Ladies League Premier Division – the competition has grown with more

than 250 teams now registered which is an amazing statistic in these current times.

"Our U15 team run by Maria Bridle and Louis Dixon won the Division 3 championship last season – well done to them – it will give them much needed confidence going into U16 football this season.

We have also introduced a new U11 team this season under Luci Dorling and Evan Jenner-Hall, both FA Level 1 coaches and the future of the club.

"They won their first league game last week 3-2 against a very good Tunbridge Wells side.

"Our Ladies team, formed three years ago by by Maddie Smith and myself were promoted last year and now play in Division 1 of the South East Counties League – and also got off to a winning start last Sunday – winning 6-2 against Mersham Ladies.

"We continue to get great support from the club and all our sponsors, who we owe eternal thanks to.

"We also have brilliant facilities, and I can only see things moving forward very quickly at the club.

"I would like to congratulate Hannah Cleary who has moved on from our U18 girls squad to sign a contract with Crystal Palace this season "Everyone at Sevenoaks Town wishes her the best of luck in the future."

Support Sevenoaks

Sevenoaks Town FC has prided itself on providing for the local community to serve and assist those in the local area.

In March, the football season came to an abrupt end. In the unprecedented months that have followed, the club has had to re-focus, re-plan and re-model in order to find our feet again.

Following every step of Government and FA guidance, we were able to get back playing again in June.

Throughout lockdown and as measures have eased, our committee have recognised the need for the club to support those who need our help the most. One of the clear areas to focus upon was local business.

"We take great pride in our identity and the area we are a part of. We know first-hand, how challenging the past few months have been."

As a club, we want to be there for the people living, working and socialising in the area and have devised a proud to launch a new scheme we hope you'll support and get involved with.

Support Sevenoaks is our campaign set up to help local businesses get back on their feet. We have created a Support Sevenoaks card which is free a loyalty scheme. If you make a purchase at stores and services who are a part of the scheme, you'll receive a stamp of thanks.

Once your Support Sevenoaks card is full of stamps, you can use it to gain free entry

to a First Team games during the 2020/21 season, when crowds are allowed to return. You simply bring the fully stamped card along to your chosen game and present at the turnstile.

And if for whatever reason, you don't want to use your card to attend a game, you can email hello@sevenoakstowncfc.co.uk with your details and an upload of your complete card and we will donate the equivalent of the match day entry to a local charity.

Club Chairman, Paul Lansdale hopes the scheme will further incentivise local people to support businesses in the area.

"I am extremely proud to be launching our Support Sevenoaks initiative. The scheme was devised by us as a club because we know just how important local provision and services are.

"We take great pride in our identity and the area we are a part of. We know first-hand, how challenging the past few months have been. The impact of Covid19 on businesses and organisations of all shapes and sizes has been huge. We want to help these businesses, their owners and employees find their feet again."

"We hope the idea is something those involved with the football club alongside residents and the businesses of Sevenoaks itself can get behind. Businesses can get in touch with us to be a part of Support Sevenoaks and we will equip them with the materials, the card and branding required. The Eat Out to Help Out scheme finishes at the end of the month, whereas this card will be in operation by us throughout the 2020/21 season and maybe even beyond if it proves to be valuable and enjoyed by people living, working and visiting Sevenoaks."

Zero tolerance for racism

The Isthmian Football League strongly supports the FA statement that there should be a zero tolerance approach against racism and all forms of discrimination.

Accordingly any form of discriminatory abuse whether it be by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The

Football Association for action by that Association." (The FA 0800 085 0508 / Kick it Out 020 7253 0162).

The Isthmian League and all Member Clubs in the League are committed to promoting equality by treating people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of the community.

New sponsor for Isthmian League

GVC is delighted to announce that the new sponsor of the Isthmian, Northern Premier, and Southern Leagues – is Pitching In. Pitching In, is a new Grassroots Sports Investment Programme that has today been launched by GVC, the multi-national sports-betting and gaming group which owns Ladbrokes and Coral.

The partnership covers all three leagues that make up Steps 3 & 4 of the National Leagues System, who market themselves collectively as the Trident Leagues.

England footballing legend Stuart Pearce, who played for Wealdstone FC for five years at the start of his long and illustrious career, has been appointed as the official Pitching In ambassador.

Stuart Pearce, ambassador for the Pitching In programme, says:

"I am delighted to be taking up the role of ambassador for Pitching In, as I'm passionate about the importance of investing in grassroots sports and in developing young talent.

"I started out playing for Wealdstone FC before joining Coventry City so I understand

how important funding is to the non-league game. Grassroots football is facing huge challenges at the moment and many clubs are struggling to stay afloat. GVC's Pitching In investment will help make a big difference to hundreds of clubs and thousands of players across the country."

Pitching In has been set up with the objective of supporting, protecting and encouraging grassroots sports in the UK through a range of initiatives.

In addition to financial support, a key focus of the partnership will be to facilitate and encourage members of the community to become volunteers, and do some pitching in of their own.

A Pitching In volunteering scheme will be established to link GVC's Ladbrokes and Coral shop colleagues with their local clubs.

In the weeks ahead Pitching In and the Trident Leagues will be announcing further initiatives to provide financial support and opportunities for all the 226 clubs (rising to 240 in 2021).
