Everything you could ever want to know about Reece Deakin

Micky's Message

I'd like to wish everyone a warm welcome to Greatness Park this afternoon for our FA cup tie. A special welcome to the management, players and officials of CB Hounslow. I hope you enjoy your short stay with us today. We wish you a safe journey home and a successful season.

It's been a very strange six months, but finally we all have the opportunity to participate in competitive football once again. I have to say a special thanks to everybody at Sevenoaks Town FC, who have put in place every precaution possible to make a safe environment for my management team, players and spectators.

I have rebuilt the squad over the break and we have put together a very competitive side. This will hopefully become apparent over the next month or so. The majority of last seasons squad have re signed, and we have been lucky enough to recruit some positive new signings. Including, Ben Davisson, Reece Deakin, Stefan Wright, Dean Gunner, Charlie Holmes, Reion McFarlane and returning to the club, Jason Thompson. I hope they all enjoy their time with us.

The first month of the season is always an important time to try and get positive results and on the back of a six month lay off it's been even more challenging. Based on pre season, everybody is looking fit and raring to go, the results and goals scored have shown this. Only time will tell if this transpires into a good start to the season.

With two home games to kick off the season I hope everybody gets behind the team and supports the new environment that we are now all apart of.

I hope you all enjoy the game and wish you all a safe journey home.

Stay safe,

Micky Collins

TOWN PARTNERSHIP

History of CB Hounslow United

CB Hounslow United F.C is a Football club based in the London Borough of Hounslow. The team was originally named Richmond Rangers, and was a collection of friends and local troubled youth that were losing their path in life.

In season 1987/88 Richmond Rangers were disbanded and reformed in 1988/89 under the name of CB united.

CB Hounslow United FC carry the community flag for football and support in Hounslow, since the demise of the historic Hounslow FC which was formed in 1884. Community support is the essence of what they do as a club.

Currently the club supports Promise Academy for 16 to 18 year olds, with a sports and educational programme, the Promise Academy Mini Kickers and OHM Sports Mini Kickers.

CB stands for 'Cater Bank' which was the company co-owned by the late father of chairman Frank James. CB Hounslow played in the Hounslow & District Football League with some distinction, and after 5 successful years they were promoted to the Middlesex county Football League (MCFL) in 1994/95, changing to their present name CB Hounslow United.

CB Hounslow United 1st team played for 11 years in the MCFL before being promoted to the Combined Counties in 2005/6 season. The club is now affiliated to the Combined Counties League, Middlesex County FL, West Middlesex Sunday League, Allied Counties Youth League, Surrey Youth League, West Middlesex Youth League and

Harrow Youth League and CGL.

This season and going forward the club now has a Patron: Mr Max Lea MBE a stalwart in football, who come up through the referee ranks and played football for Old Parmerians Football Club. His support to Club is hugely appreciated and can only benefit the club going forward.

Also Frank, the owner of CB, has handed the reigns over to Mr Dave Fuller who will become the Chairman of the board, allowing Frank to concentrate on just football matters as he enjoys running a team. Dave comes with a huge amount of experience. He is a MCFA Councillor and has officiated in Middlesex for over 50 years and CB itself for 20 years.

The club this season will be competing in The FA Cup, The FA Vase, The FA Youth Cup and MCFA Senior Charity Cup amongst many other Cups.

They would like to thank their numerous sponsors, who donate to the youth teams and the main body of the club and also help greatly with the fundraising. The club continues to grow its partnership with DNATA, United Airlines, Buffa, Tarmac. Mohan's Caterers, AIR Consultants

As a club they have over 50 volunteers who make up their management, coaching and secretarial staff who without them the club wouldn't be where it is now. Finally, CB Hounslow send out their Condolences to all who have lost family, friends to Covid-19.

It was a spectacular pre-season campaign for the Town, as we won four of our five matches and outscored the opposition by an aggregate score of 23-4! After an initial setback at home to Walton Casuals we recovered with a 2-1 win over Canterbury before hitting top form.

Jason Thompson, James Bessey-Saldanha, Piers Faultley were all on target against Langley Wanderers, but the show was stolen with a hat-trick from Kyle De Silva (above).

Sat Aug 15: Canterbury City (h) won 2-1
Sat Aug 22: Welling Town (h) won 6-0

STFC's plans for Greatness Park

The following is a letter sent to all residents in the area around Greatness Park, outlining our plans for the future of Sevenoaks Town

Dear Neighbour,
Due to the incredible hard work and dedication of everyone involved in the Sevenoaks Town Football Club, we are now looking to improve the current facilities for the club and local community by providing a development that meets the needs of all who benefit.

This leaflet explains the proposals and the next steps as to how you can hear more about these plans and help with the funding scheme for this important community facility.

Award winning architects, Offset Architects,

have previously assisted the club with their 3G pitch and lighting application, which has been a fantastic success. They have been appointed once again to assist with the new upgrading of the community changing rooms, covered stands and club house facilities.

The proposals will provide six changing rooms with shower, toilet and storage facilities, along with referee and first aid rooms, all to football foundation and football association requirements.

STFC's plans for Greatness Park

In addition to this, the scheme will also provide for a gym, meeting room and flexible function room that can be used by the club and community groups. This building will also function as additional covered standing and seating areas, again to bring the club in line with current regulations.

Design & Massing

In collaboration with the various stakeholders of the site, Offset Architects have been working on a suitable design that would meet the necessary regulations and requirements, whilst also making sure the design and massing are in keeping with its unique open landscape setting.

The initial designs have been reduced in scale to provide the minimum necessary to meet the required size and allow for the town council to retain the existing pavilion for ongoing community use. Creating a part 1 storey and part 2 storey form mimics the sculptural contours of the site, and by creating flat grass roofs, it enables the building to merge into the surrounding green context.

Highways, Access & Parking

The site is well connected to the local area with footpaths and bus routes. It is only a short walk from Bat & Ball railway station.

The site currently benefits from a small open tarmac car park and a larger gated parking area of a gravel hardstanding accessed off Mill Lane. There are also cycle stands adjacent to the pavilion. The proposals will include for the resurfacing and delineation of the existing parking area, to create a more efficient use of space, with a small grasscrete extension adjacent to the existing pavilion and another gated one to the north for temporary additional parking for emergency and club vehicles during home match days, thereby increasing the capacity from 42 to 74 spaces.

Landscaping & Biodiversity

As part of the car park resurfacing, we will also be proposing additional mixed

planting areas and footpaths to provide connections between the car park, play area, pavilion and football pitches. This includes a small tree lined pedestrian route.

These improvements, along with the grass roofs and wall to the clubhouse, will provide additional habitats and increase the overall biodiversity of the site.

Sevenoaks Football Club are committed to engaging with the local community as part of the design and consultation process.

Due to Covid-19, we are unable to have an on-site public exhibition, therefore this will now be held online. We hope you will be able to attend.

To view and comment on the plans, please simply follow the link below and an online feedback form will be available: <https://www.sevenoakstowncfc.co.uk/proposed-new-club-house>

Support Sevenoaks

Sevenoaks Town FC has prided itself on providing for the local community to serve and assist those in the local area.

In March, the football season came to an abrupt end. In the unprecedented months that have followed, the club has had to re-focus, re-plan and re-model in order to find our feet again.

Following every step of Government and FA guidance, we were able to get back playing again in June.

Throughout lockdown and as measures have eased, our committee have recognised the need for the club to support those who need our help the most. One of the clear areas to focus upon was local business.

"We take great pride in our identity and the area we are a part of. We know first-hand, how challenging the past few months have been."

As a club, we want to be there for the people living, working and socialising in the area and have devised a proud to launch a new scheme we hope you'll support and get involved with.

Support Sevenoaks is our campaign set up to help local businesses get back on their feet. We have created a Support Sevenoaks card which is free a loyalty scheme. If you make a purchase at stores and services who are a part of the scheme, you'll receive a stamp of thanks.

Once your Support Sevenoaks card is full of stamps, you can use it to gain free entry

to a First Team games during the 2020/21 season, when crowds are allowed to return. You simply bring the fully stamped card along to your chosen game and present at the turnstile.

And if for whatever reason, you don't want to use your card to attend a game, you can email hello@sevenoakstowncfc.co.uk with your details and an upload of your complete card and we will donate the equivalent of the match day entry to a local charity.

Club Chairman, Paul Lansdale hopes the scheme will further incentivise local people to support businesses in the area.

"I am extremely proud to be launching our Support Sevenoaks initiative. The scheme was devised by us as a club because we know just how important local provision and services are.

"We take great pride in our identity and the area we are a part of. We know first-hand, how challenging the past few months have been. The impact of Covid19 on businesses and organisations of all shapes and sizes has been huge. We want to help these businesses, their owners and employees find their feet again."

"We hope the idea is something those involved with the football club alongside residents and the businesses of Sevenoaks itself can get behind. Businesses can get in touch with us to be a part of Support Sevenoaks and we will equip them with the materials, the card and branding required. The Eat Out to Help Out scheme finishes at the end of the month, whereas this card will be in operation by us throughout the 2020/21 season and maybe even beyond if it proves to be valuable and enjoyed by people living, working and visiting Sevenoaks."

Shoot-out anguish as Town bow out of FA Youth Cup

Report by Andrew Gidley

Sevenoaks Town's youngsters slipped out of the FA Youth Cup at the first hurdle beaten 4-2 on penalties at Erith Town on Wednesday night.

They came from behind to lead 2-1 just before the hour, before conceding a second to take the Preliminary Round tie into a shoot-out decider.

Home keeper Sam Stiles kept out Oaks' first two spot-kicks, the hosts scoring all four to progress to the next round in front of a gate of nearly 280.

Manager Sam Lansdale said: "I am obviously gutted for the boys, and felt they deserved a result."

"I thought they did enough to win and had a lot of possession."

"It was the first time since 2012 that we have taken part, when we got to the first round proper, so this was a short but sweet experience for them in what is a very prestigious competition."

Oaks had to reshuffle after losing injured pair Michael Peate (head) Caleb Edorh (hamstring) in the first half, then Paul Driver limped off later with an ankle injury.

Joe Chalkar lobbed Erith in front from the edge of the area, before Elliott Duncan's far post header levelled things up for Oaks, heading in Jack Longland's deep cross with almost the last action of the first half.

Will Mullen's impressive 25-yard strike 12 minutes after the restart, turned things around, before Alfie Curnow made it 2-2 from close range.

Lansdale: "I am obviously gutted."

STFC COVID-19 Policy Statement

• All parents not remaining pitch side will be asked to drop and collect their children at the allotted time from the edge of the pitch or if at the Bourne Stadium from outside the ground exit.

• Players should bring to training with them, named hand gel bottle and named water bottle as well as naming any other item they bring such as sun cream, medication, etc, for their own personal use.
